**\*Police protection** – All activities concerned, with the enforcement of law and order, including coroner's offices, police training academies, investigation bureaus, and local jails, "lockups", or other detention facilities not intended to serve as correctional facilities.

(a) Gross payroll amounts for the one-month period of March for full-time employees. Gross payrolls includes all salaries, wages, fees, commissions, and overtime paid to employees before withholdings for taxes, insurance, etc. It also includes incentive payments that are paid at regular pay intervals. It excludes employer share of fringe benefits like retirement, Social Security, health and life insurance, lump sum payments, and so forth.

(b) Calculated by annualizing the monthly average.

(c) Full-time equivalent is a computed statistic representing the number of full-time employees that could have been employed if the reported number of hours worked by part-time employees had been worked by full-time employees. It is calculated by BEA.

Source: Tax Foundation calculations based on 2007 Census of Government Employment total pay and total employment by function data.
